# RELEVANT CAMP 2020

JULY 9-13TH  
JONATHAN CREEK, KY

# WHAT IS RELEVANT CAMP?

Relevant Camp is a 5 day camp experience designed specifically for both middle and high school students! Relevant camp takes place in the beautiful secluded camp ground for the summer camp experience Crossings Camp in Jonathan Creek, KY. Relevant Camp allows students to have 5 days to grow and connect with their Relevant small group, but also an expertly trained staff of leaders at Crossings Camp, and have the opportunity to meet and interact with several other students from student ministries across the south.

While at Crossings Camp students will spend the morning worshipping God, diving into God's Word through powerful messages from a trained Crossings Camp speaker, and spending time in a Crossings Camp small group with a trained Crossings Camp small group leader. In the afternoon students will have several water activities to choose from in the Jonathan Creek lake including a lake inflatable toys, tubing, kayaking, zip lines, slides, a trampoline, and a blob. There are other afternoon activities that include an arial adventure course, laser tag, and recreation games. At night students will attend the Crossings worship service and unpack the day with their Relevant small group leaders.

This is a camp experience unlike anything we've ever done before at Relevant, and it's one you don't want to miss!
