Questions?

Why do we do summer camp?

Summer camp is a place where students put down their phones, break away from their everyday routines, and come face-to-face with a God Who loves them. The high-energy games, music, teaching, and small group discussion times are intentionally designed to meet students where they are at while simultaneously inviting them to take steps into a deeper relationship with Jesus.

Who will my student be spending the week with?

We have rented out the camp so that only our group will be in attendance. Your students will be with peers as well as adult leaders who have all been background checked and vetted prior to camp.

Who will my student be bunking with?

Students will be in large bunkhouses with other students and leaders of the same gender. There will be multiple leaders in their bunkhouses, all of whom have been background checked.

How will my student get to camp?

We have rented charter buses to get us to and from Hillmont. You will drop your student off at Grace Community Church (2853 Dunlop Lane) at their designated times, and we will transport them to camp!

What is your COVID policy?

We will ask students not to come if they are sick within 72 hours of the trip. Please communicate that with us, and we will be sure to refund your payment. Beyond that, we will continue monitoring what the CDC recommends and come up with a more finite answer as the trip gets closer.

What can I do for my student who has dietary restrictions?

Dietary restrictions are no problem! The Hillmont kitchen is equipped to address all major dietary needs. All you need to do is let us know your student's specific dietary needs on their registration form and we will take care of the rest.

Will I be able to communicate with my student throughout the week?

One of the beauties of camp is the fact that we can step away from normal routines and rhythms and spend quiet, meaningful time in God's creation. With that being said, we will be asking students to turn their phones off and keep them in their bags throughout their time at camp. Additionally, there is limited cell phone service at camp and no wifi use for students. If you have an emergency and need to contact your student, you can reach out to Drew or Sarah (See contact info above) and they will get back to you as soon as they can.

Are there water activities at the camp and will there be lifeguards?

The only water activity offered at Hillmont is the camp pool. Anytime a student is present at the pool there will be a lifeguard present as well.
